

Barbara Snider
Senior 1966-67

Barbara,
I love you and
at the end of
another school year and
reunited. Here's the
best of luck to a real
sweet, cute girl. Although I've
only known you for a year, I really
think a lot of you. I hope you get
the best of everything in life and I hope
you are content with what you get. Remember
Winchester and the water battles. Had blast
you and keep you safe throughout life.
A friend always,
Donald

Beginning on p. 173.

Barbara, don't ever forget all the fun we had working on the annual. It looks like we succeeded in making it the best one yet. Every body loved it. With us working on it sometimes I was almost afraid to think what it was going to look like but I have never been as proud of anything as I am this annual. It has been worth all the work and hours that we have put on it. I think we earned that trip to Charlotte, don't you. I'll never forget that trip. We had a ball. Well, I guess this is about it. Time to say good-bye - good-bye from all the old school days. I have enjoyed it but it is too bad that it's all over now.

I'll never forget you - you have been a true and wonderful friend. May you always have the best in the world.

Love you always
Sharon Sr. '66-'67

Our Town . . .

Majestic mountains rise with
 grace,
Above this quiet, peaceful place.
Laughing streams flow swiftly by,
'Neath a bright and cloudless sky.
In Our Town.

Whispers of a gentle breeze,
Wind their way through stately
 trees.
Rolling hills so calm and green,
Complement this beauteous scene.
In Our Town.

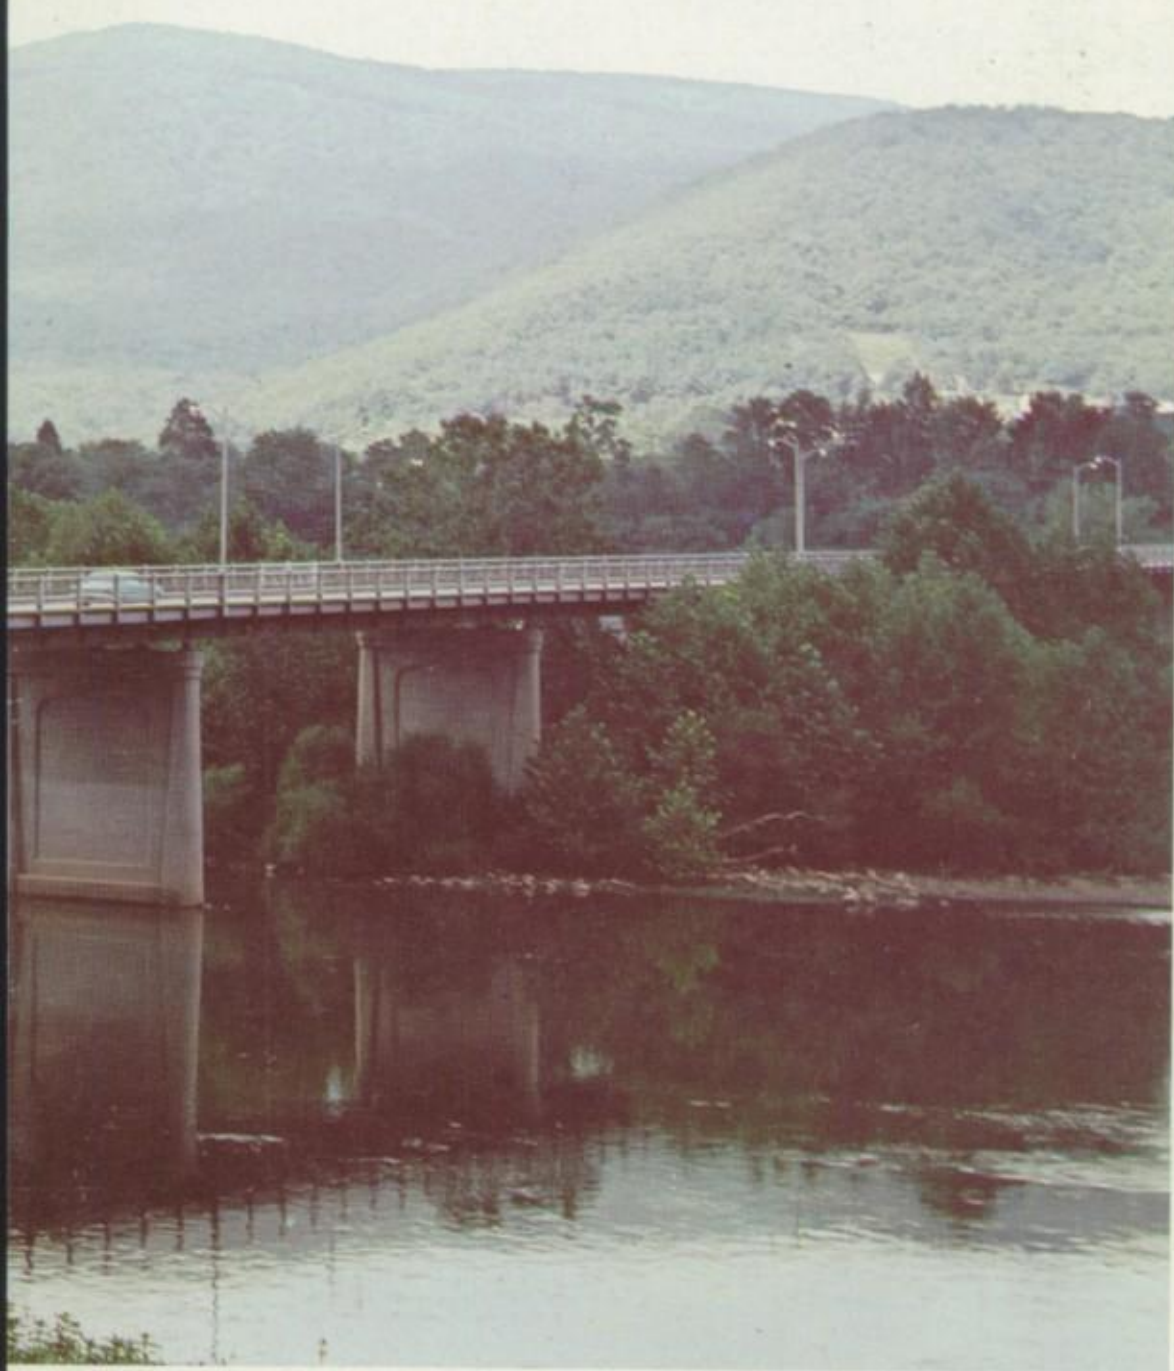

Happy children 'neath the sun,
People passing one by one,
Mindful of their chosen way,
Striving toward it day by day.
In Our Town.

'Love thy neighbor' is our creed.
A helping hand, a kindly deed,
Honor, praise, and love we give,
To this town in which we live.
It's Our Town.

Dedication

To a woman whose constant guidance has led us toward definite thinking,

—whose sincere devotion has been a guiding light for so many,

—whose perseverance has presented a shining example for all to follow,

and whose genuine friendship is so deeply appreciated by all who know her . . .

These, and many more, allow us to fondly dedicate the 1967 Narrosonian to

Miss Cuba A. Hardwick

Our Foreword to the Narrosonian of 1967...

As we, the Senior Class of 1967, prepare to depart from the sheltered corridors of Narrows High School, we must pause for a few moments to remember . . .

. . . the first day of school when we were only eighth graders - sitting in the auditorium, scared, bewildered . . .

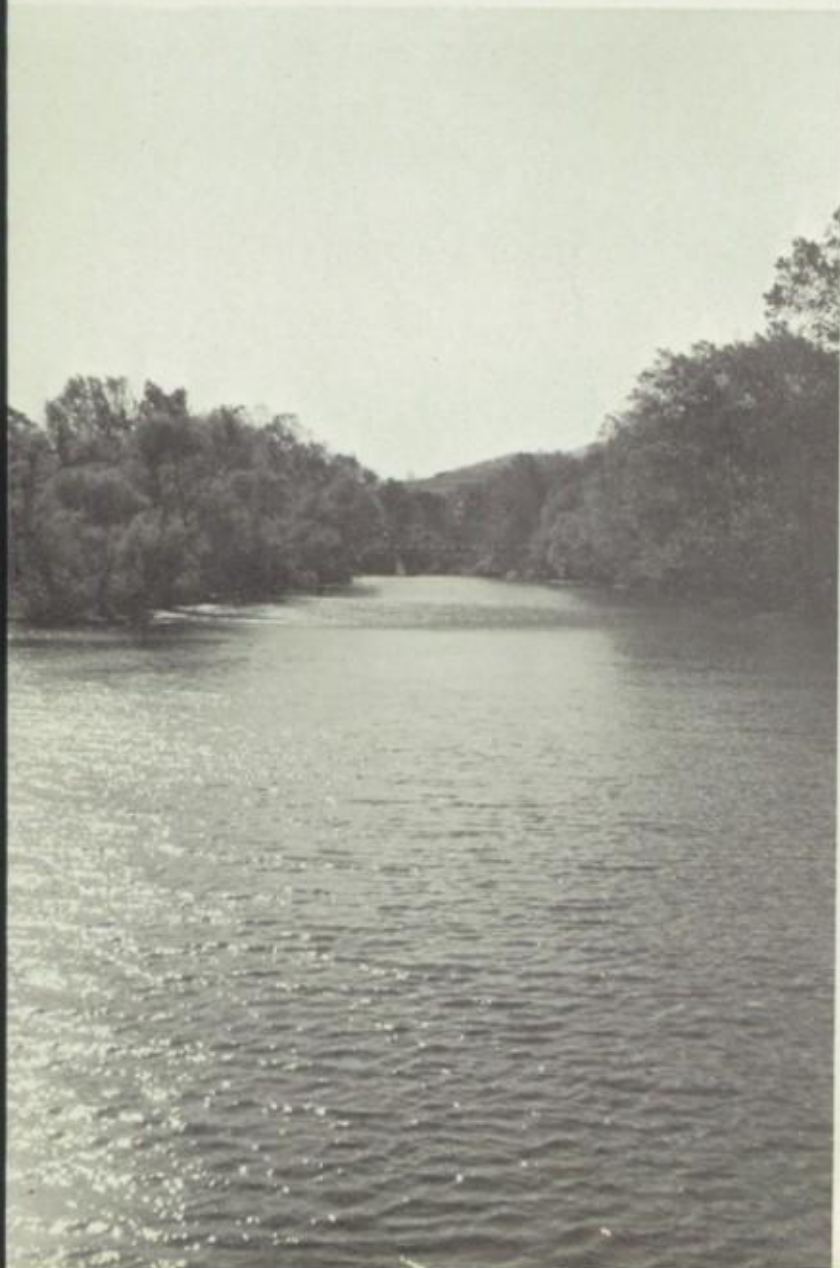

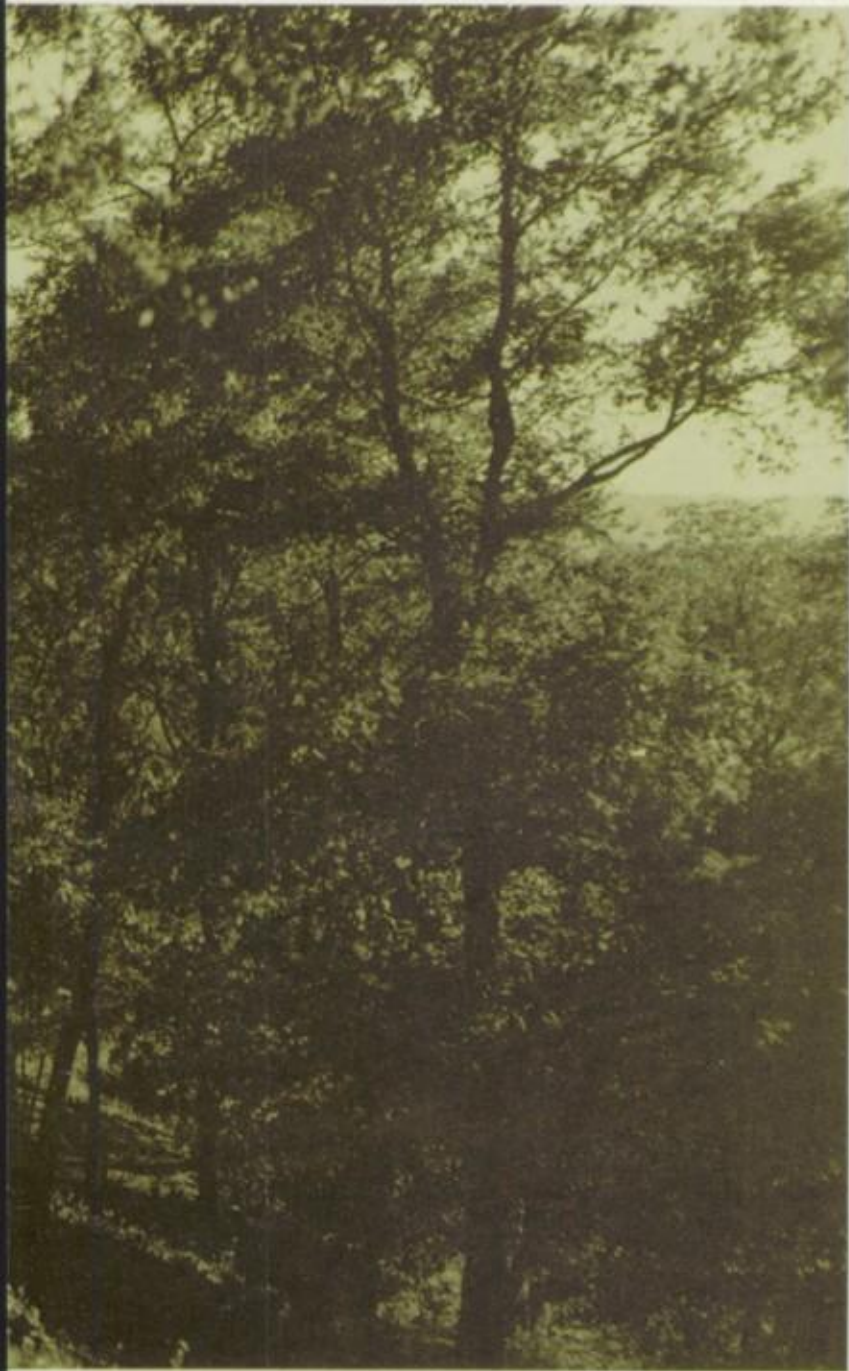

. . . our classes, club meetings, ball games - knowledge, school spirit . . .

. . . the fun we've had doing all the things that are strictly forbidden - chewing gum, spit wads, talking in class . . .

. . . our prom "In The Misty Moonlight" with sparkle and tinsel so gay - people dancing, laughing . . .

. . . when we finally became Seniors, a day for which we had waited so very long - rings, announcements, caps and gowns.

We thank you, Narrows High School, for the great contribution you have made to our lives. You will be in our fondest memories forever.

We, the Annual Staff of 1967, have prepared this yearbook in honor of Our Town...

This is Main Street - the center of activity for Our Town. It may be small, but to us it is great. This is where we have spent our lives ... laughing, talking to friends, and carrying on our everyday activities.

We are very proud of the many beautiful homes in Our Town. This is the home of Mr. Harry Ragsdale, our principal.

The New River bridge is the link between the two main divisions of Our Town. It is indeed a monument to the people here.

Barb.
 Well here
 we are out of
 school - at least you
 are. I want to wish you
 the best of luck this summer
 and in your future years. I enjoyed
 writing messages to you on our joint
 desk. Be good and I will see you
 around this summer. Always '69

But Snider, well now you've
 got to go to college and
 become a brain. We've had
 plenty of good fellows
 who've gone away (whether you
 wanted or not) and you will find success
 in anything you want to do. Stay pretty and you'll be alright.
 P.S. I'll be sure to
 stay off the hill!

SOPH.

66-67

Well, Barbara, you've really had
 some problems with your fellows -
 since I've known you. (at least
 you thought you did anyway). You'll
 find that they were all small ones when
 you do get out in life & find the one
 who was meant for you - & believe me - you
 won't have any problems finding the one -
 no matter what your past experience has been -
 I've enjoyed having you in class & knowing
 you as a person. Thanks for all the ~~support~~ support
 you have given me as a cheer leader - there have
 been times when I really needed it this year.

Love,
 Jimmy

Barbara,

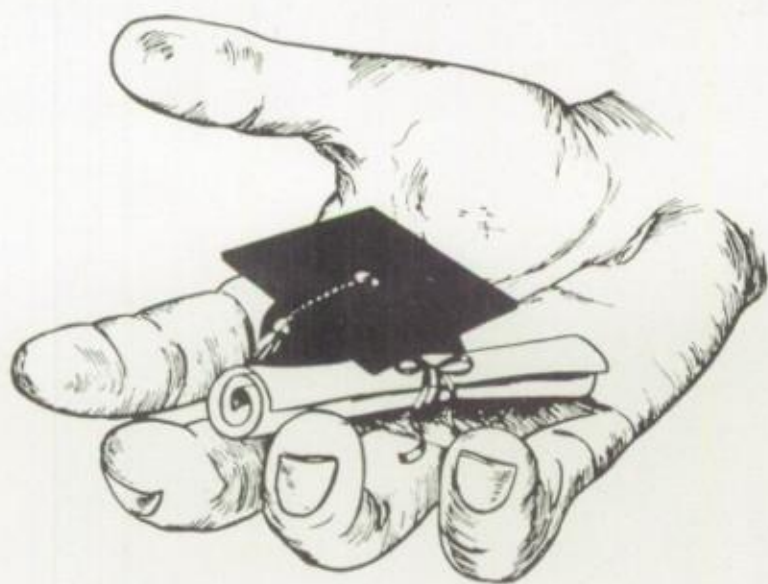

Well Barbara here we are,
now where do we go? I sure
have enjoyed going to school with
you and ^{having} ~~having~~ got't with you
this year. I would like to wish a
very sweet and charming girl all
the luck and happiness the world
has to offer. Best of luck in
everything you do. Be good and I'll
see you this summer.

Best wishes.

Love always,

Henry

"Barb"

Best of luck to a good all around girl. Hope your life out in the real ~~world~~ world has many exciting experiences for you. I really enjoyed myself at the prom but maybe I got too high afterwards to really enjoy myself. I probably flubbed up at the party and I might have lost a few friends but who cares. People who hold, celebrating an occasion by getting a little high, against someone, they ain't much of a friend anyway. If somebody likes you enough to be considered as your friend shouldn't hold it against you.

Yeah, Mack, Charlie Akers, Stanley, and me all came up to Mountain Lake and got drunk but we still had a blast and really enjoyed ourself.

We really enjoyed going to school with you this year and I hope that my last year at N.H.S. was as exciting as this year. Hope you have many good times in college and meet you a boy who can really be called your fellow. There is a boy for you in this world somewhere and all you've got to do is find him. Hope to see you around this summer. So until then be good, take it easy, and May God Grant your every desire and wish.

a friend always

Barb,

Well, now you're ready to start your college life and I've still got two years left at good old N.H.S. I hope you make out swell wherever you go, I know you will. Remember all the swell times that we've had together. I know I always will. Keep your sweet smile and warm personality and I know that you will succeed in everything that you do. A girl that is as pretty as you are will have no trouble, but with your extra qualities you'll be an instant success. So, until next time, be good and "Raise Hell."

P.S. - Keep up the good work with your "shows" Remember M.H. Lake the drive in.

Lots of love, always,

Dale Clark

Soph. 66-67

Barb,

No matter what I've written in anybody else's annual, I believe I've enjoyed your friendship more than than of any other senior. I have really enjoyed this year at the dances and everything. I hope I see you this summer and most important, don't ever change. Best of luck at college or wherever you end up. I know someone with your charm and personality could go far. I wish you were in the 8TH grade this year 'cause boy could we have fun. I never was much at writing long things and this is no exception. I'll close with a tight note. as I always say "Do unto others before others can do unto you" or "Do unto others, then split." Remember "Play hard but play safe"

Lots of
love,
laugh, and
laughter,
Richard

Barbara,

Gee Whiz, Barbara, it just doesn't seem like it's time to graduate yet. It still seems to me like we just got here.

Anyway we had some real times and I know none of us will ever forget them. Please just do everybody a favor and stay just as you are now because that's pretty good. I'll always remember you and your crazy laugh and your wonderful personality. Take it easy and I'll see you this summer.

A friend always,
Greg Photo

Barbara,

Well girl I guess our days at N.H. & are over. I really hate to see them go. It seems like only yesterday when we were entering Narrows High for the first time. Remember how scared we were. I've enjoyed having classes with you. I hope you'll consider me as one of your best friends for that is where you rank in my book. You're tops Barb. Stay the same as you are now & you'll never be hurting for friends.

Remember the great times we've had. Remember the time we went to B'Burg. We had a wall that night. I can still see you trying to smoke. I can't start if I were you. You always turn the prettiest shade of green. 'Ha.'

Well Snider I guess I'd better close. Good Luck in all you may do. May God Bless You & Keep you safe always.

P.S. Remember
Evil is only live

Barbara,

I hope you enjoyed the Windchester trip this spring. I'm sure you did. It really was a blast. I had a nice time dancing with you the last night there.

Do you remember the Union Hall dance we went to? That was a riot. Those old people in there dancing were really funny (Not to be critical), but they really were. Also when Almudren and Miller walked in. Oh well! Life is full of little surprises.

Since you are graduating this year I want to wish a sweet and nice girl like you the best of luck. I hope I see you this summer and if I don't, Don't get Konchie.

Miss Helen Blackburn

Barb,
 you are a real
 sweet girl and it
 really has been a
 pleasure knowing you.
 Don't ever forget our
 7th grade trip and prom. And
 then all the fun we have had
 in high school. Be good and
 best of luck to a real sweet girl,
 Take care + May God
 Bless you Always.
 A friend & classmate
 Carol Jean
 Sr. 66-67

Barbara,

Well its been a very good year for you I know. You seem pretty happy. I kind of hate to sign the Senior's annual because I guess I'll never get to again. But I want you to know you are the nicest girl & craziest) one I know. You were so good to me I remember when I came into high school. If it hadn't been for you & Sharon & Ann I would of probably been lost. I really think alot of you. When I look into the Senior section I could just die. I don't know if I can stand it next year. All my friends, except for a few, will be leaving me behind. Seems like that every year. They always leave. But I'll have all the memories to look back on. And I'll get to see you this summer. And Barb why don't you come see me. I'd love to see you. If I'm down there I'll look you up.

Well, being the page is getting shorter & being I haven't got very much longer.

I want to wish you the best of luck in every way. And may God bless you & take care of you.

Sports

Love you,
Trudy

BARBARA,

I DON'T KNOW EXACTLY WHAT TO SAY BUT I'LL TRY SOMETHING.

I THINK WE HAVE GOT TO KNOW EACH OTHER VERY GOOD THIS YEAR. MABY THATS THE WHOLE TROUBLE. AT TIMES I THOUGHT YOU WERE GREAT, AT OTHERS I DIDN'T. WE HAD SOME GOOD TIMES AND SOME BAD ONES BUT I GUESS THATS THE WAY LIFE IS. MABY YOU CAN REMEMBER THE GOOD ONES AND FORGIT THE BAD. I'M WILLING TO IF YOU ARE. I THINK WE ARE STREIGHTENED OUT NOW. I KNOW I AM ANY WAY.

I HOPE YOU FIND SOME ONE WHO WILL LOVE YOU AND TAKE CARE OF YOU BECAUSE YOU DESERVE THE BEST. I'M SORRY I COULDN'T BE THE ONE BUT AT LEAST YOU GIVE ME A CHANCE AND I'M GLAD YOU DID. THANK YOU.

BEST OF LUCK AT ROANOKE AND TAKE CARE OF YOURSELF. BE GOOD AND MAY GOD TAKE VERY GOOD CARE OF YOU FOR EVER.

A FRIEND AGAIN

DAVID

Barbara,

I guess I could start out by saying that you and I have been best friends since the eighth grade. I wish I could be as close to my other friends as I have been to you. I don't know what I will do when I go to school - especially when I want to call you up to tell you about something that has happened. I'll just have to get use to not talking on the telephone so much. Barbara, I could never tell you what your friendship has meant to me. I don't think I could ever talk to ~~any~~ someone else about some of the things that we have talked about. I don't think I could have made it through high school without you. When ever I had a problem you were always there to help me as best you could. I'll never forget all the wonderful times we have had and they have been wonderful times. I could never forget the good times we use to have when I was still going with Kent and we would double date - but that could never happen again. We have had some better times than that though. I'll never forget the "Hos" and "Bluefield" and I know you want either. He sure did have a time! And remember the "tomato patch" - how could you forget that was almost as bad or as frightening as my accident. Except mine was a little more expensive! Remember all the nights we have slept out and the night we stayed awake waiting for Phillip, and he never did come! Boy! Those were the good days. There will never be times like that again. I'll sure miss all the exciting times we have had together. But I'm sure we'll have more good times. When I go to Radford you can come over and I'll get you a date with some good looking guy from Tech. That is if you and Scott don't get married and you better W.D.T. I don't know what I might do to you if you got married! But I think you have better since than that and I don't think you will want to give up a lot of good times for marriage right now anyway. Barbara, school sure has been fun hasn't it? I have really got some exciting memories stored up for my children when I get married. I think all of us getting to go to Dhonesten was a miracle. I was so glad you got to go because I wanted you to see what it was like and I know you had a ball because I sure did. You and Arthur tickled me to death and especially Nancy and Stanley! This year has really been a year to remember. It has been tough but it looks like we made it. I will miss all my friends that I have gone to school with but it is a big relief to know that I have finished high school. I have loved every minute of it and anybody who drops out is crazy. Anyone who doesn't finish school has sure missed a lot.

Barb,

The many memories we have! It would take a book to list them, and yet it only took 4 short years to make them! All the ballgames, p.j. parties, telephone calls, dances, and of course, "That's a Kigger for you!" I'll never forget them, Barb.

I guess I have had it in my mind that I could put this off forever. But the time has come for me to sign your annual for the last time. Our friendship has been made up of so many things! tears, laughter, happiness, but most important, the secure feeling I have had knowing that you were my friend. No one can ever change that, Barb. Thinking of you brings to mind the expression "Friendship is life's richest treasure." My only hope is that somehow, somehow I have been just half the friend to you that you have been to me. All that is left now is for me to give you my sincerest wishes for a very happy future, but you have had these ever since I have known you. In a way, Barb, we shouldn't be sad, because time can only make our friendship grow stronger! God be with you and look over you always.

Love, Joy

P.S. We'll have a good summer.

Dear Barbara,

Gally, I'm not gonna tell you goodbye because I don't ever want to lose you, I want us to be friends always because you've been one of the truest, dearest friends I've ever had.

I can still remember when you were a sophomore and you asked me if you could be on the annual staff. I told you to wait until the end of the year and I'd let you know. I didn't know you from Adam's house cat then so I chucked around. Everyone said sure, go ahead. So I did and I've never regretted it for one minute since. You've been one of the best annual staff members I've ever had and I'll never forget all the help you've given me.

Don't forget all the hard work we've done and all the fun we've had doing it. And especially don't forget our trip to Charlotte. You really deserved it, two or three times. I know I'll never forget the part between Blacksburg and Narrows.

Thanks for letting me put my confidence in you. You'll never know how much it's helped. Good luck and happiness to you always and please write me.

Love,
Miss B - (Helen)

Barbara,

I having really enjoyed going to school with such a nice girl. Remember the good times we had at Winchester, the big tree. ^{HA} I will really hate to see you leave N.H.S. just think what the big, little world will do with you. I really had a good time telling you about all the black cows and watching Nancy get tour up over "Stanley." (wow) She is so crazy but I really like her. Hope you and Nancy will get to see Stanley before you leave. Remember all the good times we have had since we came back from Winchester. Please don't sing that song any more, The one were, your boyfriend back and his big. (144) Hope to see lots of you this summer and hope we are good friends for ever. You try to stay as sweet as you are this summer and you will always be first in my book, "big black book". Best of luck to you and all the world that you travel over. Hope to see lots of you this summer, at the park or any where. Be real, real, real good this summer.

P.S. Watch out for big bulls and big trees. I like your smile, and I think Stanley would to.

A friend always,

Snizer, (Little Satan), Choosy,

Well, to start off with I guess I will tell you just how miserable I was in Bout. and Typing. It seemed I just couldn't get away from you no matter where I went. Ha! Just kidding.

I really had a blast in Bout. this year but that was because of you, Satan. I guess I will never forget the day that you ask^{me} for some chewing gum and when I went to give it to you, you ask if I had another kind. Boy! That's thankfulness for ya. Also all the days when I tried very hard to be good, but would you let me? No, you have bothered me all this year. No wonder I'm mean now, and crazy. Typing hasn't been too bad because I didn't have to sit close to you. Ha!

Well, now, for something good to say. I want to wish the very best of luck to one of my best friends. Hope you enjoy the school you are going to and I wish we could have gone to the same one, then I would have been able to pay you back. Ha! Be good and I'll be seeing you around.

P.S. - Your best buddy in Bout. is about to die with joy because she is escaping from her friend, the devil.

Love Always
A friend,

Barbara,

Well, graduation's almost here & we've really had some good times during high school. I don't know where to begin. It really seems funny to think that I'm signing your annual for the last time.

Don't ever forget our Shorthand class. We haven't learned much shorthand, but we've really had some good times.

If we go to Roanoke & get a job this summer we'll really have an absolute blast. But I doubt if anybody will hire us. But if we can't be secretaries, we'll just go into our "other" business.

Don't ever forget Winchester. I was so glad you got to go. And I had a good time even if we didn't get ten boys each. At least I ~~forgot~~ got to talk about "Stanley". And remember what Arthur did to me at Natural Bridge. I'll never forget that.

Barbara, I want to wish you all the luck in the world because you really deserve it. You're one of the best friends I've ever had & I'll always remember you. I know you'll always have success & happiness, because you'll make it for yourself. It makes me cry to think about our class being scattered because we've all always been so close. No matter where I go or what I do in the world (& it's hard to tell where I'll end up) I'll always remember you & all my other friends at NHS & the Class of '67.

But I hope we won't be separated at least for a while yet.
a friend always,

Barbara,

It sure has been
fun going to school with
you and having algebra II with
you. Barbara, you don't know how
much you have made my year
so enjoyable. During football season
you were the one who led me on
and made me try so hard. You were
a comfort to me during defeat and
a victory. Barbara, during this year
I did a lot of mean things to you
and I "admitted" also you didn't put
up with these things and for this
I respect you an awful lot. You are
an awful nice women and deserve
the best out of life. Barbara, you
don't know how much I'm going
to miss you next year. Your
pleasant and sweet smile will be

fun, hasn't it? All the
frantic times in homeroom

we went to see Scott with the
